

SMILE 2022

SHOULDER MILAN INTERNATIONAL LIVE EXPERIENCE

New challenges in shoulder surgery Revision: when and how

Humanitas Congress Center

Rozzano (MI)

24th - 26th February 2022

**PRELIMINARY
SCIENTIFIC
PROGRAM**

Chairmen:

Alessandro Castagna

Pietro S. Randelli

Dear Friends and Colleagues,
we are pleased to present you the SMILE 2022 meeting that will happen in Milan, Humanitas Convention Center, on the 24th-26th February 2022.

The meeting will focus, as usual, on the newest and more interesting topics in shoulder surgery deeply analyzed with highlight lectures, live and re-live surgeries. Clinical cases discussion and round table will allow participants to interact and discuss the topics. An international faculty with top players in the field will be sharing their experience and expertise.

The first day the morning session will be all around shoulder instability, focusing on bony procedures, arthroscopic and open. In the afternoon the treatment of rotator cuff will be the main topic, biology and technical latest advancements will draw your attention.

The second day topics will be at first the traumatic shoulder with A/C joints and proximal humerus fractures followed by a reverse shoulder arthroplasty session. In the afternoon we will have a special session about the "Cyber shoulder arthroplasties" that will make able all the participants to know more about all the latest technologies that are bringing benefit in our daily activity.

We will conclude with an highlight lecture about revision reverse shoulder arthroplasty.

The final day a live cadaver dissection and a live brachial plexus endoscopy will be followed by hands-on workshops about reverse arthroplasties, ultrasound diagnostics and again "Cyber shoulder" with the opportunity to get confident with different technologies for pre-op planning and intraoperative assistance.

We designed the SMILE 2022 to be in person, to finally meet each other in a room, but we're ready to fully broadcast the meeting if the pandemic will keep us divided again.

We will wait all of you in Milan.

Our best regards

Alessandro Castagna and Pietro S. Randelli

Invited Speakers

Pascal Boileau (Nice - France)

Eiji Itoi (Tokio - Japan)

Anthony Romeo (Chicago - USA)

Markus Scheibel (Zurich - Switzerland)

Philippe Valenti (Paris - France)

Thursday, 24th February 2022

morning **SHOULDER INSTABILITY**

Highlight Lecture: Bipolar bone loss in shoulder instability

Live @: Bankart with bony augument and remplissage

Relive @: Open allograft

Relive @: Distal tibia

Relive @: Posterior bone block

Highlight Lecture: Results in anterior/posterior instability surgery. What I believe

Round Table: Clinical case discussion, decision making

Thursday, 24th February 2022

**afternoon
CUFF REPAIR**

Highlight Lecture: Rotator cuff repair, technique or biology?

Live @: Bioinductive implant

Live @: Tape for cuff - a game changer?

ReLive @: Adipose MSC

Relive @: Bone marrow

Relive @: Bursal MSC

Relive @: Lower trapezius

Relive @: Lat dorsi

Highlight Lecture: Results what is the best for the patient

Friday, 25th February 2022

morning
SHOULDER TRAUMA

Highlight Lecture: A/C joint what to do

Relive @: Dog bone

Highlight Lecture: Proximal humerus fractures, my best choice

Relive @: Nail

Relive @: Plate

Relive @: RSA

Round Table: Clinical case discussion, decision making

SHOULDER ARTHROPLASTY

Highlight Lecture: RSA in cuff tear arthropathy

Live @: Stemless

Live @: Ministem

Friday, 25th February 2022

afternoon
THE CYBER SHOULDER ARTHROPLASTY
INTRO-POOL: HOW MANY USE CYBER SHOULDER?

Highlight Lecture: The cyber shoulder, surgery of the future

Highlight Lecture: Results and perspective. Any shadows?

Round Table with relive surgeons and others

Highlight Lecture: Revision reverse shoulder arthroplasty (painful shoulder replacement: from diagnosis to revision)

Round Table: Clinical case discussion, decision making

Saturday, 26th February 2022

**morning
WORKSHOPS**

08.30-10.00

Anatomical dissection from neck to hand

Plexus endoscopy

10.00-13.00

Reverse shoulder cadaver workshop

Ultrasound workshop for surgeons

Cyber shoulder workshop
